“ QUOTES ”

Joe Terrell

*“Faith is not believing that God will do what you want him to do. Faith is believing that God will do what He said He would do.”

*“Many are searching for the true church and real Christians. I once thought that was a worthy endeavor. However, I have come to the conclusion that it would be better to simply search out the true Christ with the assumption that if I find Him, I will find the true church gathered at His feet and real Christians bowing before His throne.”

*“Religion tells sinful man what he ought to do for a holy God. The Gospel proclaims what the holy LORD God has done for sinful man.”

*“All the religions of this world focus on preparing people to live in this world. The gospel of Christ focuses on preparing people to live in the world to come.”

*“A friend is one to whom you never need to explain yourself, one who always puts the best construction possible upon your actions and words, one who is always ready to help. A friend is someone who steps in when everyone else walks out. – I pray for grace to be such a friend.”

*“One great difference between believers and lost religionists is this: lost religionists fit the worship of God into their lives; believers arrange their lives around the worship of God.”

Don Fortner

Bruce Crabtree

“When you are forgotten, or neglected, or purposely set at naught, and you don’t sting and hurt with the insult or the oversight, but your heart is happy, being counted worthy to suffer for Christ, THAT IS DYING TO SELF.

When your good is evil spoken of, when your wishes are crossed, your advice disregarded, your opinions ridiculed, and you refuse to let anger rise in your heart, or even defend yourself, but take it all in patient, loving silence, THAT IS DYING TO SELF.

When you lovingly and patiently bear any disorder, any irregularity, and unpunctuality, or any annoyance; when you can stand face to face with waste, folly, extravagance, and spiritual insensibility, enduring it as Christ Jesus endured it, THAT IS DYING TO SELF.

When you no longer care to hear yourself in conversation, or to record your own works, or itch after commendation, when you can truly love to be unknown, THAT IS DYING TO SELF.

When you see your brother prosper and have his needs met, and can honestly rejoice with him in spirit and feel no envy nor question God, while your own needs are far greater and you are in far more desperate circumstance, THAT IS DYING TO SELF.

When you can receive correction and reproof from one of less stature than yourself, and can humbly submit inwardly as well as outwardly, finding no rebellion or resentment rising up within your heart, THAT IS DYING TO SELF.”

*If Any Man Will
Deny Himself
–Matthew 16:24*
